

INTRODUCTION

The Department of Lifelong Learning & Extension (DLLE) established on October 12, 1978 and had been recognized as a Statutory Department of the University of Mumbai since 1994 to promote a meaningful and sustained rapport between the Universities and the community. Now it has recognized as one of the Teaching Department as per the decision of the Management Council, University of Mumbai.

MISSION & GOALS

Our mission is to maintain the voice of helping professional focused on serving college and university students in a mental health setting. Our goals include:

- Promoting the aims and values of human development in community colleges and universities.
- Providing a forum and place for the exchange of ideas, innovations, research, and students.
- Increasing the representative voice of those traditionally underserved and ignored in society.
- Encouraging interaction, support, and networking among all student affairs professionals.
- Providing an opportunity for mental health professional to become involved in participatory leadership.
- Identifying suitable mode of counseling.

THE EXTENSION DIMENSION (To Reach to Unreached)

To facilitate the sensitization of the student to the socio-cultural realities, the Department offers for the students, extension work projects encompassing social issues. The student is awarded Ten Additional Marks at the final exam for a project on completion of 120 hours of work and the submission of a project report which are undertaken by degree college students. There are seven types of Extension Work Projects are being offered by the department under the two different units.

I. Vocational Career Oriented Projects

II. Community Oriented Projects

EXTENSION WORK PROJECTS

Vocational Career Oriented Projects

Through this unit a range of Extension Work Projects are offered for enhancing the employability and IT skills of the student. The projects are as given below:

I. CAREER PROJECT (CP)

1. Relevance of the Activity

It is seen that students who do not gain admission to a degree program in medicine, management, engineering or architecture feel lost and directionless when they enter the graduate degree program. Even the B. Com. Student does not know what kind of job he will get. The Career Project aims at providing information about a career in-depth particularly if he aspires to take it up. It is expected that the information about careers in the form of the charts, brochures and short talk will become the resource material of a GUIDANCE CLUB.

2. Purpose

1. To help a student to find out information about a career before undertaking it.
2. To enable a student to learn the interview technique, method of collecting information, how to prepare materials for the dissemination of information, etc.
3. To help a student to know about the job market of the career being explored.

3. Activities to be carried out by student

1. Attend training programs at the college and at the Department.
2. Select a career one likes.
3. Interview two persons following the career using the given questionnaire

All Subjects

II. ANNA POORNA YOJANA (APY)

1. **Relevance of the activity:**

Cooking and catering are skills that are acquired by the women from the age of adolescence itself. With an era of fast-food shops and catering on a small scale becoming a source of large income returns, it is felt that women should be encouraged to enter these professions. Working women who spend a lot of time in commuting are looking for support to lessen the time and energy spent in the kitchen. Others also need to learn regular working transactions and earn a profit by selling regular useful items as stationery.

Hence it is seen the following items are being sold.

- | | |
|--------------------------|----------------------------|
| 1. Vegetables & Fruits | 4. Party food preparations |
| 2. Fresh cooked eatables | 5. Cakes and pastries |
| 3. Daily lunch tiffin | 6. Any Indian snacks etc. |

The students can also sell non food items such as Pen, Pencil, Rubber, Plastic folders, files, books etc.

This activity has been designed to encourage the student to try their hand at entering the field of small scale business. Hence this activity is designed to make students understand the concept of small scale business and increase self reliance approach.

2. **Activities to be conducted by a student:**

- 1) Attend the training programs at the college and at the Department.
- 2) Identify the items that are liked by students but are not easily available in the vicinity.
- 3) Select an item that can be prepared by the student him / herself or had prepared from others or that can be purchased on a large scale.
- 4) Fix the sale price for the item.
- 5) Arrange for its sale in the college and campus nearby or at the functions, melas in the vicinity.
- 6) Organize twenty-five such sales (either weekly or on alternate days)

- 7) Keep an account of the cost incurred, sale proceeds, etc..
- 8) Calculate the profit made.
- 9) Attend and participate in the Annual Competitions / Festival of the Dept.
- 10) Write the Project Report.

3. Some precautions to be taken:

- 1) To be careful not to threaten the business of the vicinity.
- 2) To be hygienic when preparing and selling food.
- 3) To maintain public relations with the teachers and students.
- 4) Avoid sale on credit.

4. Data / Records to be maintained:
